

**Books shouldn't be daunting, they should be funny, exciting and wonderful; and learning to be a reader gives a terrific advantage."**

**- Roald Dahl**

At Millfields Primary School, we want to ensure our children have a love of reading. Reading develops imagination, creativity, vocabulary and helps provide understanding of the world around them.

We believe it is important for all children to read a range of books, therefore we have created a suggested book list for each year group. This is by no means an extensive list but should be used as a starting point. The children should be able to read the books independently, within their year group, however we believe it would be a great opportunity for you to share and enjoy these books together at home.

Don't Forget...

**"If you are going to get anywhere in life you have to read a lot of books."**

**- Roald Dahl**

Happy Reading

## Recommended Books for Reception
